

## Post Office Text Scam

Please see the below Text Scam doing the rounds again

Post Office phishing text

Post Office: We tried to deliver a parcel today but no one opened the door. To rebook delivery, visit: <https://find-ukparcel-gb.com>

This scam text impersonating the Post Office claims a parcel delivery was unsuccessful.

It includes a link to 'rebook delivery', which leads to a phishing website.

To report scam texts, forward them to 7726. Phishing websites can be reported to the [National Cyber Security Centre](#).
